

Make a Complete Street

- Improve pedestrian, bicycle, and transit accommodations while maintaining vehicle flow
- Balance the needs of each travel mode

Comments

Increase Safety and Comfort for Pedestrians and Bicyclists:

- Provide a buffer between the roadway and pedestrian and bicycle facilities
- Where feasible, separate and buffer pedestrian and bicycle facilities
- Provide safe crossings of Emmet Street for pedestrians and bicyclists

Comments

Beautify the Corridor as an Appropriate Gateway:

- Provide landscaping and hardscape materials that provide shade, comfort, safety, and increases the attractiveness of the gateway
